

ISE[®] CENTRAL EXECUTIVE FORUM

Keynote Presentation

Retail Cyber Intelligence Sharing Center
Cyber Intelligence Sharing and the Meshed Armor of Community

Brian A. Engle
Executive Director

Company Overview

- The R-CISC:
 - Enables the community of retail and commercial services organizations with collaboration and information sharing support
 - Facilitates tactical intelligence sharing and analysis for the most recognizable brands within the newly established RCS-ISAC
 - Supports strategic decision processes through research, education and training
- Organization size: Seven(ish) and growing
- Non-profit, member driven through annual fees
- US based supporting multi-national organizations operating across the globe
- Only a year from incorporation, and several months into operational activities, yet already creating value with increasing momentum

Resolve to Share

MAGNA CARTA /'mæ gnə 'kɑ:tə/

Noun

1. The “great charter” of English liberties, forced from King John by the English barons and sealed at Runnymede, June 15, 1215.
2. Any fundamental constitution or law guaranteeing rights and liberties.

MANIFESTO /'man-uh-**fes**-toh/

Noun

1. A public declaration of intentions, opinions, objectives, or motives, as one issued by a government, sovereign, or organization.
